All graded work is performed online on LaunchPad, our course's electronic management system, that you will access through our Canvas class site. (None of the course's graded work is done on Catalyst).

There will be 10 Learning Curve Assignments, each based on an assigned textbook chapter, worth 10 points each.

There will be 10 QUIZZES, each on an Understanding the American Promise chapter, worth 20 points each.

There will be 3 EXAMS, worth 60 points each. Each Exam will cover only the reading and other course materials assigned for its portion and will not cover material previously covered by an earlier exam. No Exam, including the Final, is cumulative.

There is an ESSAY for 60 points based on the Martin Luther King & Malcolm X book.

There will be 4 Discussion Board Activities, worth a total of 30 points.

Alternate Exams

None

Quizzes and exams are available for taking on LaunchPad up until their due dates but not afterward. Only one graded assignment will be allowed to be made up after it is due, so I strongly advise students NOT to delay taking a quiz or exam until just before its due. Contact the instructor sometime *before Week 12* to arrange a make-up for just one late graded assignment.

Grading

Final course letter grades will be assigned on the basis of students' total points and overall performance relative to one another (ie, "on a curve").

Grades

Grades will be based on students' total points sums. Course letter grades will be assigned by students' performances relative to one another. All graded work is performed online on LaunchPad, our course's electronic management system.

You may access your final grades on the Internet through the College's Portal system [<https://myportal.fhda.edu>].
