De Anza College Online Education Center Info: Office Location Room 210 in the Media & Learning Center (MLC) Phone: 408-864-8969 Email <http://deanza.edu/online-ed/> M-Th 9am-5pm F 9a-4pm

Steps to get onto this course:

- 1. Register and pay for the course at De Anza College.**
- 2. Go to De Anza College website.**
- 3. Click on My Portal.**
- 4. Click on “Students” on the left hand side.**
- 5. Click on “My Online Courses. De Anza College – Log into Canvas.”**
- 6. You should find this course.**
- 7. Canvas will then act as a bypass to get you onto REVEL, the website in which the *ENTIRE* Psych 4 course will happen ONLINE.**

Deadline: 11:59pm on Sunday Jan. 21, 2018. If you do not make this deadline, you could be **DROPPED from the course**. If you do not wish to continue with the course, it is the student’s responsibility to drop the course.

You should go through Canvas on the De Anza College portal to get to REVEL.

Attendance – This course is 100% online. You do NOT need to come to campus. However, besides reading the textbook, students **MUST** log onto the online course every week to view Video Clips, take Module Quizzes and Chapter Quizzes online. You may also read the text online. You will also write a Term Paper and email it to me. Those who fail to log onto the class each week, will be viewed as “inactive” in the class and might be dropped by the instructor. If you no longer wish to be in the course, please make sure to drop yourself and do NOT assume the instructor will do that.

Recommended but not Obligatory Prerequisite:

Eligibility for EWRT 1A or ESL 5. PSYCH 1 also recommended.

REQUIRED TEXTBOOK

PSYCH 4 Hurkmans

NEVID	REVEL for Abnormal Psychology in a Changing World -- Access Card, 10/E <i>*Students receive print upgrade offer when they register the access code or purchase access online.</i>	9780134458328
-------	--	---------------

You must come into the De Anza College Bookstore or go to the Bookstore's Website (books.deanza.edu) and pay for the material before the add/drop date (Sunday, January 21st, 2018). The price is the same whether buying online or in person and the bookstore accepts various tenders of payment including multiple financial aid and book voucher programs, cash, and debit/credit card. This is by far the best method of offering these products at an equitable price to all students.

After January 21st, **students who have Not paid will be cut off from the REVEL** component to your course. You must pay the bookstore on-time to avoid getting cut off from the course. This is a direct link to purchase online:

<http://books.deanza.edu/SelectCourses.aspx?src=2&type=2&stoid=136&trm=WINTER%2018&cid=01864>

Below is the multi-use access code that students will be able to register REVEL for your sections:

HSSREV-SPADA
CURCH-ACERB-
WERSH-SWORD

It will be revoked after the add/drop date.

FINAL COURSE GRADE: will be based on

- Logging onto the course every Monday of the quarter and more if specified by the instructor
 - Following the syllabus for scheduled assignments
 - Reading 15 assigned text chapters
 - Viewing assigned video clips
 - Taking **Module Quizzes**. They are short 3-5 question quizzes that are 3 points per question. You **MUST** take all of the Module Quizzes by their DUE date (see last pages of the syllabus).

 - Taking **Chapter Quizzes**. The Chapter Quizzes are longer 15-20 questions. You **MUST** take all of the Chapter Quizzes by their DUE Date (see last pages of the syllabus).

 - Writing **Term Paper** worth 50 points.

 - Reading, studying, using any other course material on REVEL is optional, but encouraged to help you understand the material better and prepare for exams, but it will not earn more points in the course. I will be checking to see how much of the work you do on your own and more work will be viewed as more effort in the course.
-

REVEL: **How REVEL Counts toward your course grade:**

You will earn a mid term and final REVEL score that counts toward your overall course grade cumulatively worth 200 points. These scores will come from your REVEL Module and Chapter Quizzes.

Mid-term REVEL score recorded in Canvas on 2/16/18 based on current percentage converted to a raw score out of 100 points possible.

Final REVEL score recorded in Canvas on 3/30/18 based on current percentage converted to a raw score out of 100 points possible.

TERM PAPER Worth 50 points: DUE emailed by 11:59pm Sun. March 23, 2018 to lindahurkmans@sbcglobal.net

Please write a 5 page paper, double spaced, font size of 12, and college level. Please use your textbook and at least 3 other resources, list your resources on a separate last page that does not count as one of your pages, proof read and spell check the term paper before submitting.

Choose ONE of the major contemporary perspectives on abnormal behavior including the medical model, psychological model, sociocultural model, and the biopsychosocial model.

1. Who was/is the main theorists behind the model you have chosen? (For example, Sigmund Freud in the psychological model.) Give some history on this main theorist.
2. How does the model you have chosen conceptualize abnormal behavior (For example, the medical model conceptualizes abnormal behavior patters, like physical diseases, in terms of clusters of symptoms, called syndromes, which have distinctive causes presumed to have a medical/biological explanation.) Explain.
3. If you become a researcher or a practicing therapist one day, which major contemporary perspective on abnormal behavior would you align yourself with (or find most helpful in your work to help people?) Explain.

FINAL COURSE GRADE for Psych 4

Will be determined from scores on REVEL Assignments (Module Quizzes and Chapter Quizzes) and by the Term paper. Be prepared to spend 12 hours per week studying and completing assignments.

NOTE: If you miss Module Quizzes or Chapter Quizzes, your grade will INSTANTLY go down. There are no make up exams, given the flexibility already built into the course. You must organize your time and take the exams on time. You must keep up and do all of the work if you hope to earn an “A” or “B” in this course. Thank you.

It is the student’s responsibility to have a **secure** internet connection **before** beginning each exam. Have a backup plan in place in case you have any computer or internet issues.

Expectations

Those discovered to be **cheating** (unauthorized collaboration, plagiarizing on papers, etc.) will be given an **F** grade for the course and may be expelled from the college.

Special needs

De Anza College makes reasonable accommodations for persons with documented disabilities. Those students requiring special needs through the DSS (Disability Student Services) should make themselves known to the instructor during the 1st week of class.

Students, please be responsible for completing your work according to the dates on the schedule below. My advice to any distant learner is to try not to let the work pile up and then feel overwhelmed. Just take it day by day.

Psych 4 Catalog Description:
(UC/CSU)

Pass/No Pass Option.

A historical overview of abnormal psychology with emphasis on current paradigms and models in psychopathology and therapy including a survey of research methodology; clinical assessment, classification, and diagnosis with special focus on cultural, gender, and age issues in psychopathology and therapy.

INSTRUCTIONS ON HOW TO TAKE THE CHAPTER Module & Chapter Quizzes.

1. Go to the Assignment Calendar and click on the date something is due & Click into the actual assignment to launch it. The quizzes will automatically follow your readings. See example below:

Assignment Due **July 09** ▾
By 11:59 PM / Worth 186 points
